

Environmentally Friendly Bag Order Form

To coincide with the school's environmental studies, Buddina P&C have decided to offer the following environmentally friendly bags for sale. The bags feature artwork created by students & can be used for a variety of purposes, given their fantastic heavy-duty quality. If you want to see the awesome quality of the bags, they are displayed in the office foyer.

Bag Size: approx. 40cm x 43cm - 10.5cm gusset & the handle is 33cm.

The bags are made to order & will take up to 3 weeks to be made. They will be delivered to the classrooms.
All order forms must be in by Wednesday 31st October.

Paying by cash: Please drop the order form with the correct cash in an envelope labelled "P&C Enviro Bag" into the office.

Paying by card: You can do this through Flexischool. We will let you know via Facebook when this option is available.

Thank you for supporting your P&C
